Today, American Trucking Associations announced it has named myKlovr as the federation's second Affinity Partner, providing discounts and benefits to ATA members. "ATA members report that industry recognition and employee resources are essential for attracting and retaining talent – whether it is behind the wheel, in the shop or in the office, and having benefits like college and career counseling can be an important piece of that," said ATA Chief Commercial Officer Kevin Traver. "In an industry already facing labor shortages, ATA has partnered exclusively with myKlovr to help its more than 30,000 member companies prepare their families for success and promote the trucking industry and its many advantages to high school students. Now more than ever the country relies on truckers who tirelessly deliver food and medical supplies throughout the nation's pandemic."
